

Town of Brookline
Select Board
Fiscal Year 2026
Tax Classification Hearing
November 4, 2025

Prepared by the Board of Assessors

Purpose of the Tax Classification Hearing

1. To establish a Residential Factor to determine the proportion of the tax levy to be borne by each class of property (Residential, Commercial, Industrial and Personal). This allows shifting taxes from Residential property to Commercial.
2. To adopt the percentage of the Residential Exemption. This allows shifting taxes within the Residential class.
